REQUEST FOR INFORMATION ON DATA PROTECTION UNDER THE FADP

Dear Ladies and Gentlemen,

Based on the Federal Act on Data Protection (FADP), I request that you provide me with in-formation free of charge within one month of receipt of this request as to whether you process personal data about me and, if so, which data.

Please provide me with the following information:

the personal data processed;

the purpose of the processing;

the retention period of the personal data or, if this is not possible, the criteria for determining this period;

the existence of an automated individual decision (if technically in operation);

the available information on the origin of the personal data, insofar as it was not collected from the data subject as the person requesting information;

where applicable, if the personal data are disclosed to third parties, information on the recipient(s) or the categories of recipient(s); where personal data are processed by a processor: the identity and contact details of the processor and the data or categories of data processed by the processor.

I wish to receive the reply to my request for information in the following manner:

electronic delivery to my email address (see below) or

postal delivery

If the data will be sent electronically, it should be sent to my email address below.

E-mail address sender:

Repetition of the e-mail address:

....

Please confirm the completeness and accuracy of the data provided to me in connection with my request for information.

If you require any further information from me for identification purposes or wish to charge a fee for extraordinary effort, please let me know as soon as possible.

If you are unable to provide me with this information or can only do so to a limited extent, or if you wish to postpone the provision of information, I would ask you to inform me of this in a reasoned decision, also within one month of receipt of this request.

Binding information from Crypto Finance (Controller)

By signing this application, I accept that in the event of electronic transmission of the requested data, such data will sent unencrypted via an open network by the controller (Crypto Finance) to the above e-mail address. In doing so, I acknowledge that in the event of electronic transmission, Crypto Finance does not guarantee that unauthorised third parties cannot view this data or that it cannot be altered or forwarded by them.

Crypto Finance expressly reserves the right to request further documents for the purpose of identifying the sender (copy of the passport is mandatory). The request for information must be signed legally and personally by the person concerned (formal legitimation).

The identity and contact details of the persons responsible can be found directly in the data protection declaration on the homepage of Crypto Finance (www.cryptofinance.ch).

Thank you for your efforts.

Kind regards,

....

Appendix for the purpose of legitimation:

- Copy of my valid Identity card/Passport
